

Edmonton Fundraiser Report

It Shiraz a Great Cause!

An evening of wine, tapas, and the soulful sounds of live jazz all in support of The Champion's Centre, Edmonton

Held Friday March 27th, 2009
Mill Creek Café 9562 - 82 Avenue
From 7:00pm - 11pm

As part of a Not-For-Profit Management Course, three University of Alberta students, Patrice L'Hirondelle, Alisha Duret and Jennifer Hughes, organized and hosted of a very successful fundraiser in support of the Champion's Centre, Edmonton. The purpose of the fundraiser was to not only raise funds for a deposit on land but create awareness of the organization and its plans to develop a centre in Edmonton for individuals who face significant barriers to independent living.

Beginning at 7:00pm people began to arrive at the Mill Creek Café to taste some fine wines, delicious tapas from many ethnic groups, prepared by Isabelle Soh and enjoy the sounds of live jazz from Erin Faught. About 65 people were in attendance with standing room only. It was an opportunity for people to mingle, listen to fine music, hear an enlightening speech by Dr. Austin Mardon CM, and dole out door prizes to those whose names were fortunate enough to be drawn.

The successful Fundraiser brought in a total of \$2180 for the evening that ended at 11:00pm.
